AQHA Ranching Heritage Breeders and Ranching Heritage Challenge Programs

The American Quarter Horse Association is committed to the promotion of the ranch horse. There are programs to help ranchers to market their ranch-bred American Quarter Horses and opportunities for ranch-bred horses to be showcased in competition.

The horses in this sale which are eligible for the AQHA Ranching Heritage Challenge are identified by the logo below their hip number.

Ranching Heritage Breeders Program

Ranching Heritage Breeders are AQHA member-owned ranches and individuals who represent longevity, honesty and integrity in raising quality American Quarter Horses and uphold ranching heritage traditions.

Ranching Heritage Breeders must breed and register at least five foals annually and must maintain a remuda of horses used to operate a working cattle operation. The ranch also must have received an AQHA 10-year breeder award to be eligible for the program.

Ranching Heritage Breeders support the Young Horse Development program by donating weanlings and/or offering for sale to members of the American Quarter Horse Youth Association. Youth train and keep these horses, which builds a lifelong passion for the American Quarter Horse.

Ranching Heritage Breeders also can earn cash awards and recognition for their horses competing in 20 events across the country with the Top RHB Horse Award. Owners also are presented a cash award.

The horses that come from Ranching Heritage Breeders uphold the tradition and heritage of the working cattle ranch and when horses are purchased from a Ranching Heritage Breeder, that great tradition continues.

AQHA Ranching Heritage Challenge

An exclusive opportunity for Ranching Heritage bred-horses, the AQHA Ranching Heritage Challenge is a way to showcase ranch-bred American Quarter horses.

The Challenges offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch riding, team roping and barrel racing.

To be eligible, horses must have been bred by a Ranching Heritage Breeder, plus all payments – weanling, yearling, 2-year-old and 3-year-old – must be complete in order to compete. Those payments also generate the purses for Ranching Heritage Challenge events. Horses that compete in a Ranching Heritage Challenge qualify for the RHC Finals.

For more information about AQHA's ranching programs, including a list of Ranching Heritage Breeders, an application to become a Ranching Heritage Breeder, Top RHB Horse Award winners and Ranching Heritage Challenge information, visit aqha.com/ranching.

TERMS & CONDITIONS

Important notice to prospective buyers... please read and familiarize yourself with the TERMS AND CONDITIONS of this sale. You will be bound by these TERMS AND CONDITIONS whether you read them or not.

HPRB Assn., its members and the auctioneers function is to bring the buyer and the seller together. All responsibilities and guarantees lie between the buyer and seller.

ERRORS. Every effort has been made to assure correctness of the catalog. The sales management and auctioneers are not responsible for error or omissions and assume no liability on its part as to any statements verbal or written regarding horses sold. **BUYERS ARE CAUTIONED TO PAY CLOSE ATTENTION TO THE AUCTIONEERS ANNOUNCEMENTS.**

BUYER REGISTRATION. All buyers must register and receive a buyer's number.

PAYMENT. Terms of sale are cash, cashier's check, travelers check or personalized bank check. Bank drafts will not be accepted. No postdated checks will be accepted. Payment in full must be made to the cashier immediately after the sale. All payments shall be in U.S. Currency and on U.S. Banks only. All payments must be made to High Plains Ranchers & Breeders.

RELEASES. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers must make arrangements for care of stock until it can be removed.

GUARANTEES. The seller is responsible for any and all guarantees. Except as otherwise announced by the auctioneer, the consignor warrants the following. 1) Title of the horse is free and clear. 2) The animal is sound of eyes, wind and limb. 3) The animal is not a cribber, wind sucker, stall weaver or parrot mouthed. 4) The animal has not been nerved or have navicular disease or is foundered. 5) The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at time of sale. 6) A colt of stallion 18 months or older must have two testes descended into the scrotum. Warranty with respect to descended testes does not apply to a colt younger than 18 months. If any of these conditions are announced, the consignor is held harmless for the condition. Except for the foregoing limited warranties, each animal is sold by the consignor without warranty and with all faults. Every horse is sold under this rule; therefore, no horses can be rejected by the buyer when struck of by the auctioneer. **Prospective buyers are encouraged to examine horses thoroughly before purchasing.**

DISPUTES. In the event a dispute should arise as to a particular defect which should have been, but was not announced, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and High Plains Ranchers & Breeders is to be notified within 72 hours from the end of the sale in which the horse was sold. If the purchaser's veterinarians determines the horse to have the alleged defect, the Sales Management as agent shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If the veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission as contained in the consignor's contract, and the cost of any veterinary examination and veterinary work performed on the horse as a result of said defect. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all cost of examination and treatment.

RIGHTFUL REJECTION. If the buyer rightfully rejects the animal in the manner stated above and within the time provided, the animal will be returned by the buyer to the consignor with refund to the buyer the full purchase price of the animal.

TITLE. Title to and risk of loss passes to the buyer when the hammer drops. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer.

COGGINS TEST. All horses in this sale are to have a current negative Coggins and current Health Certificate.

LIABILITY. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. Neither the owners nor any other person connected with this sale assume any liability legal or otherwise for accidents to persons or property, before, during or after the sale.

NOTICE. HPRB Assn acts as selling agency only. Every horse in the sale catalog must pass through the sale ring and all monies pass through the office.

ALL HORSES MUST BE REMOVED FROM THE SALE PREMISES ON SALE DAY - UNLESS OTHER ARRANGEMENTS ARE MADE.

HAL OF A RUN is a powerful stallion with lots of bone, conformation and color. He was bred to a few mares as a two year old and got 4 colts - 2 came back to our HPRBA Futurity, with one winning the Open and the other tied for 3rd. That same colt went on to place 5th in the Amateur Snaffle Bit in Fort Worth. The filly that won our Futurity went on to place 3rd in the Clovis Futurity. This stallions get all seem to have great minds and are very athletic.

Ellison Carter Cattle Co.

Santo, Texas

81500 South Highway I-20
Santo, Texas 76472

Ellison Carter Cattle Company is a family owned and operated order buying cattle business.

We have been serving the cattle industry since 1977 right here in Santo, Texas.

We cover sixty five sales a week in Texas, Oklahoma and New Mexico and haul them to our convenient location fifty-five miles west of Fort Worth. Our state of the art facility allows sorting, processing and feeding of livestock with minimal stress and maximum benefits. Our commitment to our customers is to fill and ship their orders quickly, efficiently, and with the best prices available.

We also purchase cattle from the public based on current market values. Our purchasing hours are Tuesday-Friday from 9am to 3pm and on Saturday from 9am to 12pm. No waiting around here, we weigh your cattle on our certified scales, price them and have your check ready in 20 minutes or less! If you have any questions about buying or selling cattle, our office staff or in house buyers would be happy to help.

Ag lending isn't a nine-to-five job (at least, not for us).

The old joke about banker's hours doesn't apply at First United Bank. While you're out working the fields or managing the herd, we're making sure your money is working, too. Whether it's for land loans, livestock, crop diversification, land improvement or equipment, we understand every ag loan we make is critical to your operation. That's why we've been burning the midnight oil since 1907.

We know ag lending.

HEREFORD VET FEED & SUPPLY

Carrying a full line of feeds for horses, livestock and pets. We also have wood shavings, hay, water softener salt and a complete line of veterinary supplies.

Breeding Season

BreederPro 5P - this mineral has the highest inclusion rate of chelated minerals (Availa 4), which makes it more expensive. Should be fed from 30 days before until 30 days after bull turnout. 8% phosphorous is also available.

Summer Season

GrazerMate 5P - this is a more cost effective mineral that contains lower levels of chelates but is a good choice while grass quality is good. If drought conditions develop during the summer or when grass starts going dormant, switch to fall/winter product. 8% phosphorous is also available.

Fall/winter Seasons

FiberMate 8P - this product has some chelated minerals (Availa 4) but a lower level than the BreederPro product and is more cost effective for cows during this time of year.

100 YEARS OF COMMITMENT

Established in 1920, Chas. S. Middleton and Son has been involved in the cattle business, farm and ranch sales and land appraisals for four generations. With arguably the best team of ranch real estate brokers and appraisers in the industry, we are prepared to offer you outstanding service in the farm and ranch brokerage/appraisal business.

Our team of salesmen has the knowledge and the connections to get properties properly marketed, handle inspections, negotiate deals and help with the process of obtaining financing when required. We work with many trust departments, law firms, CPA's and handle complex deals from start to finish. With a sales team in key locations we are able to serve a broad area and have a better understanding of local aspects other brokerage firms may not understand. Besides having nine brokers/salesmen, we have five well qualified appraisers, including four ARA's (Accredited Rural Appraisers) to serve your needs. Four of our salesmen first had successful careers with Farm Credit Banks as lenders/appraisers prior to joining our company.

BUYING

If you're looking to invest in a ranch or farm property, we know what's available before it's even on the market. We'll help you find the land you're looking for.

SELLING

Our firm will connect you with the special class of buyers who know the value of good land. We'll work hard to help make a return on your investment.

APPRAISALS

Our expert appraisers specialize in farm and ranch properties, and they truly know the market. They'll do the legwork necessary to deliver an accurate, honest value for your property.

SKILLET RANCH

±1,321 ACRES | MCLEAN, TX | \$2,972,524

Skillet Creek is a premiere hunting property and working cattle ranch with rolling topography and abundance of water. Skillet Creek runs over 2 miles from the northeast back to the southwest corner of the ranch. There are several springs throughout the property and sub-irrigated areas with a high water table. On the southern portion of the ranch, there is a ±0.3 acre lake/seep pond not far from the 3 bed/2 bath house, barn, horse pens, and roping arena.

OL' GLORY RANCH

±3,586 ACRES | MATADOR, TX | \$5,917,725

Fantastic ranch located in Motley County boasting live water and variable topography. Ol' Glory Ranch, once apart of the historic Matador Ranch, has deep roots in the area. The ranch is setup for running cattle including two sets of working pens plus three working windmills and well providing plenty of water to the pastures. The ranch is also known for its whitetail deer, quail and hogs hunting thanks to water available year-round and cover from mesquite trees.
