# Watch the Sale on CCI.live!

*The best, the fastest and most  
comprehensive marketing & bidding tool!*

## *How to Bid Online...*

- As a buyer, you do not need an account or to login to watch the sale but you must have a validated account to bid.
- After you are logged in, you must proceed to the sale page for any and every auction and click "Get Buyer Number." Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
- CCI.live will operate with ease on a cellular device, laptop, desktop or tablet.
- A modern or current browser is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI live app at the Apple App Store or through Google Play.
- For successful bidding you must have good Internet service! It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- Support line open during all sales. 405-400-9505 - Please contact the ranches for invoices and trucking.

## **AQHA Ranching Heritage Breeders and Ranching Heritage Challenge Programs**

*The American Quarter Horse Association is committed to the promotion of the ranch horse. There are programs to help ranchers to market their ranch-bred American Quarter Horses and opportunities for ranch-bred horses to be showcased in competition.*

*The horses in this sale which are eligible for the AQHA Ranching Heritage Challenge are identified by the logo below their hip number.*

### **Ranching Heritage Breeders Program**

Ranching Heritage Breeders are AQHA member-owned ranches and individuals who represent longevity, honesty and integrity in raising quality American Quarter Horses and uphold ranching heritage traditions.

Ranching Heritage Breeders must breed and register at least five foals annually and must maintain a remuda of horses used to operate a working cattle operation. The ranch also must have received an AQHA 10-year breeder award to be eligible for the program.

Ranching Heritage Breeders support the Young Horse Development program by donating weanlings and/or offering for sale to members of the American Quarter Horse Youth Association. Youth train and keep these horses, which builds a lifelong passion for the American Quarter Horse.

Ranching Heritage Breeders also can earn cash awards and recognition for their horses competing in 20 events across the country with the Top RHB Horse Award. Owners also are presented a cash award.

The horses that come from Ranching Heritage Breeders uphold the tradition and heritage of the working cattle ranch and when horses are purchased from a Ranching Heritage Breeder, that great tradition continues.

### **AQHA Ranching Heritage Challenge**

An exclusive opportunity for Ranching Heritage bred-horses, the AQHA Ranching Heritage Challenge is a way to showcase ranch-bred American Quarter horses.

The Challenges offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch riding, team roping and barrel racing.

To be eligible, horses must have been bred by a Ranching Heritage Breeder, plus all payments – weanling, yearling, 2-year-old and 3-year-old – must be complete in order to compete. Those payments also generate the purses for Ranching Heritage Challenge events. Horses that compete in a Ranching Heritage Challenge qualify for the RHC Finals.

For more information about AQHA's ranching programs, including a list of Ranching Heritage Breeders, an application to become a Ranching Heritage Breeder, Top RHB Horse Award winners and Ranching Heritage Challenge information, visit [aqha.com/ranching](http://aqha.com/ranching).

# LIMITED EARNING RIDER RULE UPDATE

# WE DON'T QUIT UNTIL THE JOB'S DONE, EITHER.

Ag lending isn't a nine-to-five job (not for us).

The old joke about banker's hours doesn't apply at First United Bank. While you're out working the fields or managing the herd, we're making sure your money is working, too. Whether it's for land loans, livestock, crop diversification, land improvement or equipment, we understand every ag loan we make is critical to your operation. That's why we've been burning the midnight oil since 1907.

We know ag lending.
